EVGA Announces the EVGA GTX 560 Ti 2Win

- Friday, November 4, 2011 □
Introducing the EVGA GeForce GTX 560 Ti 2Win! This card harnesses the power of two EVGA GeForce GTX 560 Ti GPU's for blistering fast DirectX 11 performance, including tessellation performance that destroys the competition. Experience a whole new level of interactive gaming and combine up to three displays off a single card for the ultimate in 3D entertainment, or disable Surround and combine up to four displays for maximum productivity. With these features and more, the EVGA GeForce GTX 560 Ti 2Win gives you double the win!

Key Features:
* Dual GTX 560 Ti GPU's
* Over 30% Faster than GTX 580
* 850MHz Core Clock
* 3D Surround on a Single Card

About EVGA

Founded in 1999, EVGA has grown exponentially in the channel, serving the system builder, distribution and retail markets with products that offer the highest in quality and customer satisfaction, thereby making the computing experience transparent to the hardware in the box. EVGA only offers visual processing products based on NVIDIA chipsets and in year 2005 expanded its product line to include motherboards.
